

Ann McNeill
THE MASTER BUILDER

Ann McNeill's Speaker Bio

Ann McNeill is a Business and Life Success Strategist, Speaker, and Author.

Her innovation of the Think and Grow Rich philosophy, *The McNeill Factor*, has allowed her to help hundreds of entrepreneurs and business professionals to thrive, feel more effective, and improve their bottom line while simultaneously achieving more work-life balance.

She is masterful at helping female entrepreneurs and professionals gain clarity so that hidden opportunities are realized, and they can experience the fulfillment that comes from living a life of constant and never-ending growth and progress.

As an adept in the science of masterminding, touted by Napoleon Hill as the missing link in creating success, she holds the keys to the kingdom of success lying just below the surface of just about everyone.
